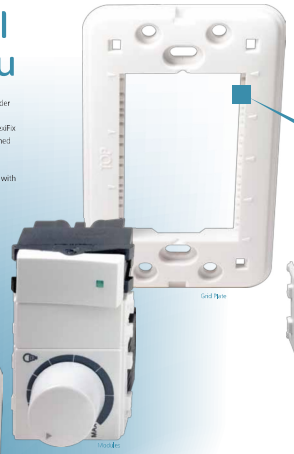
The Right Tool For You

Engineered to deliver the highest level of versatility in installation and combination of modules, S-flexi is just another masterpiece by Schneider Electric demonstrating a perfect blend of the functional and aesthetic elements in electrical accessories for the contemporary homes. The FlexiFix module-mounting design and the standardised sizing modules combined to work best for you in creating your own switch and socket.

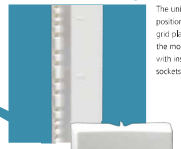
S-flexi Switches and Sockets is undoubtedly the right tool for the one with his own plan to optimise electrical wiring.



Easy to install

The unique FlexiFix module-mounting design allows you to position the modules anywhere along the inner slots of the grid plate. This, together with the standardised sizing of the modules, gives you an interchangeable modular system with insurmountable flexibility to create your switches and sockets the way you want them.

FLEXIFIX module mounting



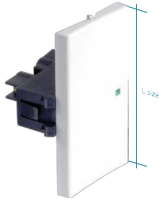
Sleek Design

For Your Eyes' Delight

Schneider Electric always take one more step to make functionality look stylish. The combination of classic white colour and streamline design is a testimonial of simple elegance. Better still, S-flexi with flexifix helps you put up as many or as less wall plates as the interior design calls for.

Durable and Safe

Made with high quality Polycarbonate (PC) materials, S-flexi switches and sockets are virtually unbreakable. They are tested to comply with the IEC safety standards, ensuring maximum safety and reliability.



You Make It How You Want It To Be

With a range of switch and socket modules of various functions and created in such standard sizes as Large (L), Medium (M), Small (S) and Extra Small (XS), S-flexi enables you to optimise your needs and fully utilise every inch of every wall plate.

Switches (Complete Unit)

Product Number	Product Description
F1051	16A 250V 1 Gang 1 Way Switch, Vertical
F1051H	16A 250V 1 Gang 1 Way Switch, Horizontal
F1051/2	16A 250V 1 Gang 2 Way Switch, Vertical
F1051/2H	16A 250V 1 Gang 2 Way Switch, Horizontal
F1052	16A 250V 2 Gang 1 Way Switch, Vertical
F1052H	16A 250V 2 Gang 1 Way Switch, Horizontal
F1052/2	16A 250V 2 Gang 2 Way Switch, Vertical
F1052/2H	16A 250V 2 Gang 2 Way Switch, Horizontal
F1053	16A 250V 3 Gang 1 Way Switch, Vertical
F1053H	16A 250V 3 Gang 1 Way Switch, Horizontal
F1053/2	16A 250V 3 Gang 2 Way Switch, Vertical
F1053/2H	16A 250V 3 Gang 2 Way Switch, Horizontal
F1054	16A 250V 4 Gang 1 Way Switch, Vertical
F1054H	16A 250V 4 Gang 1 Way Switch, Horizontal
F1054/2	16A 250V 4 Gang 2 Way Switch, Vertical
F1054/2H	16A 250V 4 Gang 2 Way Switch, Horizontal
F1051MA	16AX 250V Intermediate Switch, Vertical
F1051MA-H	16AX 250V Intermediate Switch, Horizontal

Flush Plates / Surrounds / Grid Plate

FG1050	1 Gang Mid-Sized Flush Plate, Vertical (M size)
FG1050H	1 Gang Mid-Sized Flush Plate, Horizontal (M size)
FG1051	1 Gang Flush Plate, Vertical (S size)
FG1051H	1 Gang Flush Plate, Horizontal (S size)
FG1052	2 Gang Flush Plate, Vertical (S size)
FG1052H	2 Gang Flush Plate, Horizontal (S size)
FG1054	4 Gang Flush Plate, Vertical (XS size)
FG1054H	4 Gang Flush Plate, Horizontal (XS size)
FTG1058	8 Gang Flush Plate, Vertical (XS size)
FTG1058H	8 Gang Flush Plate, Horizontal (XS size)
FS1050H	1 Gang Mid-Sized Surround, Horizontal (M size)
FS1051H	1 Gang Surround, Horizontal (S size)
FS1052H	2 Gang Surround, Horizontal (S size)
FS1054H*	4 Gang Surround, Horizontal (XS size)
F1054F	4 Gang Grid Plate, White

*Colour Availability :
Burgundy(BF), Champagne(CF), Soft Grey(GF), Pearl(PF), Silver(SF)

Switch Mechanism

Product Number	Product Description
FS0M4	16A 250V 1 Gang 1 Way Switch (L size)
FSQ2M4	16A 250V 1 Gang 2 Way Switch (L size)
FS0M2	16A 250V 2 Gang 1 Way Switch (M size)
FSQ2M2	16A 250V 2 Gang 2 Way Switch (M size)
FS0M1.5	16A 250V 3 Gang 1 Way Switch (S size)
FSQ2M1.5	16A 250V 3 Gang 2 Way Switch (S size)
FS0M1	16A 250V 4 Gang 1 Way Switch (XS size)
FSQ2M1	16A 250V 4 Gang 2 Way Switch (XS size)
FS0BPM4	10A 250V Bell Push 4 Switch, (L size)
FS0BPM2	10A 250V Bell Push 2 Switch, (M size)
FS0BPM1.5H	10A 250V Bell Push 3 Switch, (S size)
FS0RDM00M	400W Light Dimmer
FS0FC250M	250W Fan Speed Controller

Socket Mechanism

F1429USM	10A 250V 2 Pin Universal Socket Outlet with Shutter
F1429UAM	13A 250V International Socket Outlet
F1429UESM	16A 250V 3 Pin Universal Socket Outlet with Shutter
FS0TVM	TV Co-axial Outlet
FS0RJ6M	6 Pin RJ12 Telephone Outlet
FS0RJ8M	Cat 5 Data Connection Outlet
FS0RJ5EM	Cat 5e Data Connection Outlet
FS0RJ6M6	Cat 6 Data Connection Outlet

Accessories

FS0NM2-RD	10A 250V Neon Indicator (Red Colour)
FS0XM2	Blank Plate (M size)
FS0XM1	Blank Plate (XS size)
