

### Main

|                                       |                      |
|---------------------------------------|----------------------|
| Range of product                      | DA1                  |
| Product or component type             | Thermistor probe     |
| Device short name                     | DA1TT                |
| Accessory / separate part category    | Protection accessory |
| Quantity per set                      | Set of 10            |
| Ambient air temperature for operation | 90 °C                |

### Complementary

|                                |  |
|--------------------------------|--|
| [Ui] rated insulation voltage  | 2500 V                                     |
| [Ue] rated operational voltage | <= 2.5 V                                   |
| Resistance                     | 250 Ohm per probe 25 °C                    |
| Insulation                     | Reinforced                                 |
| Cable length                   | 1 m between probe and motor terminal plate |
| Product weight                 | 0.01 kg                                    |

### Environment

|           |                     |
|-----------|---------------------|
| Standards | IEC 60034-11 Mark A |
|-----------|---------------------|

### Contractual warranty

|        |           |
|--------|-----------|
| Period | 18 months |
|--------|-----------|

The information provided in this documentation contains general descriptions and/or technical characteristics of the performance of the products contained herein. This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications. It is the duty of any such user or integrator to perform the appropriate and complete risk analysis, evaluation and testing of the products with respect to the relevant specific application or use thereof. Neither Schneider Electric Industries SAS nor any of its affiliates or subsidiaries shall be responsible or liable for misuse of the information contained herein.
